Objectives of this workshop

• Provide a Forum to discuss the status of development of the Action Plans in the Member States, the challenges encountered and the necessary actions and required support to overcome the challenges

• Support country representatives in developing high quality action plans with achievable targets and suitable measures for the draft NREAPs and NEEAPs and the SE4ALL Action Agenda;

• Discuss and build capacity on the tool that can be used for the development of scenarios as well as NREAP and NEEAP targets.

• Provide guidance to country focal points and consultants on the SE4ALL AA process taking into account the latest developments and experiences and discuss on a possible regional approach and support by ECREEE and partners in the development of an Investment Prospectus based on the action plans

• Discuss the draft monitoring framework for the action plans
