Sponsorship Pack

The ECOWAS Sustainable Energy Forum (ESEF 2022) is organized by the ECOWAS Centre for Renewable Energy and Energy Efficiency (ECREEE)
The Economic Community of West African States (ECOWAS) Centre for Renewable Energy and Energy Efficiency (ECREEE) will be hosting the 7th edition of the annual ECOWAS Sustainable Energy Forum (ESEF) from 31st October to 1st November 2022.

ESEF 2022 aims to catalyse business partnerships, exchange information and raise awareness about the progress made by ECOWAS member countries in the region on SDG-7.

Since its inception in 2016, ESEF has brought together diverse stakeholders including experts, financiers, policy makers and development partners culminating in strategic alliances that has propelled developments in the sustainable energy sector in the region. ESEF is now ranked, the “go-to” rendezvous for energy stakeholders in the West African region.
ABOUT THE FORUM

This year’s forum is special in many ways:

• Be the first Face to face ESEF since the COVID-19 pandemic;

• Be Hosted in the city of Abuja the headquarters of the ECOWAS commission;

• Will also feature back to ESEF, the IRENA investment forums and the annual International Off-grid Renewable Energy Conference and Exhibition (IOREC), a flagship event of the International Renewable Energy Agency (IRENA) from the 2nd to 4th November. All 3 events will be featured as part of the International Energy Transition Week, Nigeria.
